Disclaimer

The Strafford Fire & Rescue Department ("SFRD") does not make any warranties or representations with respect to the content, quality, accuracy, timeliness, or completeness of any information or material contained on this web site.

The SFRD does not assume any legal liability for the content, quality, accuracy, timeliness, or completeness of the aforementioned information or material.

The information or material contained on this web site is subject to change without notice. In no event will the SFRD be liable for any damages, whether direct, indirect, general, consequential, incidental, exemplary, or special, arising from the use of information and material provided on this web site or any other web site.

Hyperlinks to Other Web Sites

The inclusion of hyperlinks to other web sites, information, or material, is not intended to reflect their importance or to endorse any views expressed, any products or services offered by the author, any referenced information or material, or the organization operating the server. Hyperlinks to other web sites are provided to you only as a convenience.

Communications via the SFRD Web Site

Communications to the SFRD via this web site shall in no way be deemed to constitute legal or official notice to the SFRD, its agencies, officers, employees, representatives, or agents, with respect to any existing, pending, or future claim or cause of action against the SFRD or any of its agencies, officers, employees, representatives, or agents, where notice is required by Federal, State or local law. Communications to the SFRD via this web site shall not be deemed to constitute legal or official notice for any other purpose.

Privacy Policy

The SFRD web site privacy policy is to respect and protect the privacy of our web site users, consistent with the applicable laws of the United States and the State of New Hampshire. We do not collect, use or disclose any information about our users without their knowledge and approval. We do not share user information with third parties.

Web site users should be aware that the SFRD could be required to disclose personal information in response to valid legal process, such as a search warrant, subpoena, or court order. Disclosures may also be necessary to protect the Department's legal rights or during emergencies if physical safety is believed to be at risk.

Collection of Personally Identifying Information

We consider any information that could reasonably be used to identify you as personally identifying information. This includes, but is not limited to:

- Your name
- Your address

- Your telephone number
- Your e-mail address

The SFRD web site does not retain personally identifiable information about you when you visit our web site unless you choose to provide such information to us by, for example, sending us an email.

SFRD may request personally identifiable information from you in order to provide requested services, but such information is handled as it would be on an in-person visit to the department or station.

If personal information is requested on the web site or volunteered by the user, state and federal law may protect it. However, this information is a public record once you provide it, and may be subject to public inspection and copying if not protected by state or federal law.

We use cookies to retain information on the SFRD web site. A cookie is a text file, not a program, which is sent to your computer when you access a web site.

Collection of Other Information

In order to improve the content and usability of this web site, the SFRD web site automatically collects several categories of information from users. This information includes the following:

- The Internet Protocol address of your Internet Service Provider and/or your computer, if your computer has an IP address assigned directly to it.
- The Domain Name of your Internet Service Provider and/or your computer, if your computer has a domain name assigned directly to it.
- The type of browser (such as, for example Netscape, Internet Explorer, etc.) used and the operating system resident on a user's computer.
- The date and time a user visited the site.
- The web pages accessed at the site, as well as any applications used and forms data.

The Department uses this information to identify site performance needs; to ensure compatibility with the technology used by SFRD web site visitors, and to generally add and improve services offered on SFRD web site. In order to accomplish those goals, from time to time, the Department may conduct statistical analysis of the data it collects.

The SFRD web site does not collect data for commercial or marketing purposes, and does not sell, exchange or otherwise distribute the data collected by its web site for commercial or marketing purposes.

Hyperlinks to other Sites

The SFRD web site contains hyperlinks to other web sites. When you click a hyperlink to another site, you are no longer on the SFRD web site and this Privacy Policy does not apply; you are subject to the privacy policy of that web site.

Policy Revision and Notification of ChangesSFRD will update this policy as new services and features are added. Any information collected under the current policy will remain subject to these terms. Information collected after any changes take effect will be subject to the revised privacy policy.
